CLEARSTREAM™ 2 RV ON-THE-GO HDTV ANTENNA

Quick Start Assembly/Installation Instructions

Before beginning assembly, make sure all parts needed are present.

ANIMATE Failures to follow these instructions and properly secure the antenna or any of its parts could result in accidents or permanent damaging of the antenna. During normal and everyday usage periods, make certain all parts are secured properly.

Upon receiving the antenna, make sure to keep the box safely stored away in case there is a need for future reference.

PARTS:

- 1 Clearstream 2 RV Antenna assembly
- 1 Mounting Bracket
- 8 Mounting screws
- 1 Mounting Bracket
- 1 Coaxial Cable
- 1 Philmore Flat HDTV Antenna Mount
- 14 Triangular Antenna Mounts
- 1 Phillips Screwdriver
- 1 Antenna
- 1 Phillips Screwdriver
- 1 Power Supply

Remove the existing antenna from the existing mast. Install the coaxial cables. Then, remove the power supply and battery.
